

JULY CLEARANCE SALE

CASH PRICES MEN'S, YOUNG MEN'S AND BOYS SUITS CASH PRICES

Why reduced prices on clothes when Woolens are on the rise? "The Story in a Nut Shell"

You've probably heard that woolen pieces are advancing, so you naturally ask--If that is so, how can these stylish, all-wool clothes be sold for less than regular prices? Each year at the end of the regular selling seasons we find a number of garments still on hand; they were bought to sell during that season, so we make it a point of selling them in order to make room for new goods, and we reduce prices to clean these suits in a hurry.

Because Woolens are advancing so rapidly these clothes are worth more now than they were a few months ago; they'll be worth more next year—but we can't hold them over. Following our iron-clad rule of not carrying goods from one season to another, we are going to close them out at the following cut prices:

\$10.00 Mens Suits now	\$ 8.75
12.50 Mens Suits now	9.75
15.00 Mens Suits now	11.75
17.50 Mens Suits now	13.75

\$18.00 Mens Suits now	\$14.25
20.00 Mens Suits now	16.25
22.50 Mens Suits now	17.25
25.00 Mens Suits now	19.25

\$ 5.00 Boys Knee Suits now	\$ 3.75
6.50 Boys Knee Suits now	4.25
7.50 Boys Knee Suits now	5.50
10.00 Boys Knee Suits now	7.75

Make your choice while choosing is good.

RED BLOOD AMERICANISM IS COMING TO THE FRONT

Right now this Country is calling for men of stout hearts and sound bodies. It needs them to keep Old Glory triumphant and unsullied in the air.

The exigency now confronting us, emphasizes, as nothing else could do, the importance of good health, both as an individual and national asset.

It gives point to the suggestion, often emanating from this office, that everybody should guard their health as a priceless possession. When you find yourself running down and not exactly keyed up to the fighting pitch, as is the case with everybody at times. You ought to come to Nature's relief and take a course of

RESOLUTIONS.

Lancaster Lodge No. 104 F. and A. M. and Chapter No. 54 R. A. M.

Lancaster, Ky, July 24th 1917. Whereas, it has pleased Almighty God the Grand Architect of the Universe, to call from his labors on earth to that season of refreshment in heaven which knows no ending, our honored and respected brother and companion, Mr. Richard A. Burnside, who departed this life on May 30th 1917, therefore be it resolved;

1st. That in the death of Bro. Burnside our lodge has lost a true and loyal member, the community a useful citizen, the church a faithful member and the family a loving and devoted father.

2nd. That we extend to the bereaved family our deepest sympathy in their loss and commend them in prayerful tenderness to Him who alone has both power and right to give and to take away as seemeth best in His sight.

3rd. That a copy of these resolutions be spread upon the minutes of the lodge, a copy be sent to The Central Record and one to the Masonic Home Journal for publication, and a copy be sent to the bereaved family.

DR. JESSE J. HENDREN.

This picture, together with this short sketch, which does not say half that could be said about this fine young man, will be of interest to friends and relatives throughout the county, as Dr. Hendren is a son of Mr. and Mrs. T. S. Hendren, the eldest son of a bright family who have always stood at the head of their classes.

Dr. Jesse J. Hendren was to have finished his Medical Course at the University of Tennessee in June. In May Secretary Daniels asked the University for Assistant Surgeons in the United States Naval Reserve Corps. Sixty young men of the graduating class took the examination. Dr. Hendren was one of the eight who passed. These eight were graduated at that time and sent to the Naval Training Hospital at Philadelphia.

Upon reaching there Dr. Hendren took the examination for the Regular Navy and was one of 260 out of 380 who passed. These young graduate physicians have been preparing for Naval Medical Commissions by prominent physicians under the direction of Dr. R. A. Backman, head of the United States Naval Hospital.

Dr. Backman said: "We have given the future navy doctors advanced training in surgical, mental and nervous disease work. The navy surely will be better off for the inclusions of these young men."

Dr. Hendren awaits further orders in Philadelphia. He will be sent either to the various navy yards, on board a ship or be established abroad.
